

AMBULANCE PASSENGER SEATING Parts Catalogue

Passenger Seating Products

Issue July 2011

AMBULANCE PASSENGER SEATING Parts Catalogue

This catalogue lists the key replacement parts for Ambulance passenger seating products used by most UK NHS and Private Ambulance Trusts. All products supplied are genuine OEM certified parts manufactured to stringent manufacturing standards and these will ensure the continued applicable certification of your existing vehicle.

If you require further information or details of products not currently listed, please contact us quoting your vehicle type, year of manufacture and vehicle trim colour.
